

## TVO ILC students applying to an Ontario University Program 2024-2025

To apply to a January 2024 or a Fall 2024 undergraduate program with TVO ILC, please follow these steps to determine your eligibility:

1. Click on the [OUAC Eligibility Form](#) tab found on your dashboard. If the OUAC Eligibility Form tab is not visible on your dashboard, please call TVO ILC to have this tab reset.

You will be asked to upload an official OST when submitting OUAC eligibility to TVO ILC.

An official transcript must be on green transcript paper, signed, and sealed/stamped. This must be your **most recent transcript**. Colour scans are ideal.

**If you do not have an official OST**, you must request one from your previous high school.

**If TVO ILC has been your only school where you have earned credits**, upload the following statement in place of the OST: "I have only earned credits at TVO ILC."

2. Answer the questions. If you answered a question incorrectly, you may call TVO ILC to have your OUAC Eligibility Form tab reset.
3. Upon successfully completing the OUAC eligibility process, you will receive an email with next steps. Please allow 3 to 5 business days to process your request.
