

Applying to Ontario College Programs 2026-2027

Before you apply

- Use this link [Ontario Colleges](#) to research programs by college or by category
- Participate in [various open house and other upcoming events at Ontario Colleges](#)
- Click here to review [Important Dates](#) <https://www.ontariocolleges.ca/en/events/search>
- Applications that are paid by **February 1, 2026** will receive equal consideration for admission although programs will continue to accept applications until they are full.

Note: If you are applying to any one of the [Highly Competitive Programs](#), your application must be submitted by February 1, 2027.

Application Fees

Please click on this [Application Fees](#) to determine the cost to apply to college.

Completing your Application

If you are a Canadian applicant, apply using the [Application for Canadian Students](#).

If you are an International Applicant, apply using the [Application for International Students](#) and *contact the colleges directly*.

Education Documents from TVO ILC

- If you are **only** applying to college programs through OCAS, send your TVO ILC data to OCAS, using the 'Request Documents – Self Serve' (for *confirmation of enrolment and midterm marks*) and 'Request Documents' (for *final marks*) link on your dashboard. Please include your OCAS application number for reference. Marks should be sent to service@ocas.ca.
- OCAS automatically sends your academic history electronically to the colleges to which you have applied.

Note: Visit [Transcript Information](#) for details.

IMPORTANT NOTE TO OCAS APPLICANTS WHO HAVE ALSO APPLIED or ARE APPLYING TO OUAC:

If you have successfully met OUAC eligibility and TVO ILC has confirmed that we will be uploading your academic data to OUAC, you do not need to request education documents to be sent to OCAS. TVO ILC will upload your academic data to OCAS electronically in line with the [Important Dates](#) set by OCAS.
